October 03-04, 2024

FICCI, Federation House, New Delhi

Draft Agenda

Day I: October 03, 2024, (Thursday)	
1400 - 1500 hrs	Registration
1500 - 1630 hrs	Inaugural Session Inauguration of Research Showcase/Innovation Exhibition by the VIP/Chief Guest
1630 - 1745 hrs	Session 1: S&T Clusters - Opportunities for Industry-Academia Collaboration <i>S&T clusters have emerged as vibrant ecosystems where industry, academia, and startups converge to drive entrepreneurship and economic growth. This session explores the role of S&T clusters in fostering successful startups through collaborative partnerships between industry and academia.</i>
1745 hrs	Networking High Tea (End of Conference Day 1)
Day II: October 04, 2024 (Friday)	
1000 - 1130 hrs	Session 2: From (Academia) Research to (Industry) Commercialization <i>The process of commercializing and monetizing research is intricate. This session aims to explore effective strategies for successful technology commercialization, from inception to market launch. Delegates will have the opportunity to learn from experts and practitioners who have successfully navigated the challenges of bringing innovative technologies to market.</i>
1130 - 1215 hrs	Session 3: Case Studies on Industry-Academia Collaboration in Research <i>The session will highlight collaboration between academic institutions/universities and industry in successfully commercializing the research.</i>
1215 - 1245 hrs	Session 4: Talk by Industry Leaders – Expectations from Academia

1245 - 1310 hrs	Session 5: Strengthening R&D National Infrastructure – The Road Ahead <i>The session will focus on enhancing India’s Research and Development (R&D) national infrastructure to drive innovation, economic growth, and sustainable development.</i>
1310 - 1330 hrs	Session 6: National Quantum Mission - Role of Academia and Opportunities for Industry
1330 - 1430 hrs	Lunch Break
1430 - 1530 hrs	Session 7: Showcase of Select Research Work <i>This session will provide a platform for researchers and innovators to present their research work. The objective is to explore possible collaborations with the industry for successful commercialization.</i> Felicitation of Top 3 Research Work
1530 - 1630 hrs	Session 8: Global Best Practices for R&D Funding <i>India aims to enhance its R&D capabilities to drive innovation and economic growth. This session will explore global best practices in R&D funding, highlighting successful models, strategies, and initiatives from around the world. Learn from experts and policymakers how India can adopt and adapt these best practices to boost its R&D ecosystem.</i>
1630 hrs	Closing and Networking Tea / Coffee
